

## **Indo-MIM Inc. Corporate Reorganization**

Effective immediately, due to a corporate reorganization, Indo-MIM Inc. (Indo-MIM) has become a party to DSP authorizations (including agreements) to which one or more of its affiliates (Indo-US MIM Tec Pvt. Ltd. LLC and Indo-US MIM Tech Pvt Ltd.) are already a party. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does not apply to approved or pending agreements.

All currently approved DSP authorizations identifying one or more Indo-MIM affiliates will not require an amendment to reflect this internal corporate reorganization. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending DSP license authorizations received by DDTC identifying one or more of Indo-MIM's aforementioned affiliates on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **October 14, 2016**, identifying one or more of Indo-MIM's aforementioned affiliates as a party and that does not also list Indo-MIM will be considered for return without action for correction.

All currently approved agreements will require an amendment to be executed to reflect this change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to U.S. Customs and Border Protection at time of shipment.
